Greg Woodard will be acting as the MC for each of the Wednesday Studies. In this role, I will welcome people, introduce Tim & band, and introduce the study questions for our small group discussions. As well, I can pray at the end and dismiss if needed. Since we will have different speakers each week, I want there to be some continuity as to how each evening will flow. This also takes some pressure off of the teacher and gives us a familiar face guiding each evening.

I would also like to provide a PowerPoint outline of each week (both of the lesson and possibly the small group questions). I hope that we will have a technical point person who will be able to assist us with the PowerPoint.

Also, video clips are welcome. The church has a DVD/VCR player. You will need to obtain the video / DVD. Again, I hope to have a technical point person in place to assist with this.
